Seminars & Workshops :

1. Seminar on "Environmental protection in sugar industry" for technologists from 1st to 5th July '83.

2. Seminar on "Pollution problem in sugar industries for directors of sugar factories" on 4th Sept. '83 (program conducted in Marathi).
3. Seminar on "Distillery waste Management" from 8th to 12th October, '83.
4. Seminar on "Sugar & distillery wastewater treatment" - a critical review on 20th to 21st April, '85 at Bombay.
5. All India workshop on "Effluent Treatment Plants failure - causes and remedial measures" from 26th & 27th April, '87.
6. A workshop on "Recent development in wastewater treatment in industries" on 8th Dec., '86 at Pune
7. A workshop "Public awareness on pollution control techniques" on 15th Dec. ,86 at Thane.
8. Workshop on "Industrial wastewater technologies" from 25th to 31st March, '87 at Sangli.
9. Workshop on "Sugar, distillery, pulp & paper wastewater treatment technology" from 1st to 11th May, '87 at Bangkok and Singapore

10.

Workshop on "Sugar, distillery, pulp & paper wastewater treatment technology in India and Thailand" on 23rd and 24th August, '87 at Pune.

11. Seminar on "Distillery effluent treatment by aerobic composting for directors and committee members of sugar factories" on 26th & 27th March '88 at Sangli (conducted in Marathi)
12. Workshop on "Distillery waste treatment by aerobic composting" on 9th and 10th April, '88 at Sangli.
13. Get-together on "Environmental policies and strategies - a citizens challenge" on 30th and 31st July, '88 at Sangli.
14. Seminar on "Development without destruction" on 28th and 29th January, '89 at Sangli.
15. Participated in "National agricultural and industrial exhibition" at Akhuj, Maharashtra, from 26th Feb. to 7th March, '89
16. Get-together on "Red alert - distillery pollution realities" on 30th June, '89 at Pune.
17. Workshop on "The Krishna and Bhogawati river water management" for farmers on 20th Jan. '90 at Kolhapur and on 4th March at Walwa, Dist. Sangli.
18. Participated in State level exhibition on environmental microbiology on Feb. '91 at sangli.
19. A farmers rally organised at Digraj, Dist. - sangli on 25th Feb. '91 on the topic of "Bio- technology and useful organism in agriculture" (Conducted in Marathi).
20. Organised three medical camps in rural areas.
21. Participated in Krishna Kath Vidnyan Yatra from 29th October to 7th Nov. '92.
22. Organised two workshops for secondary school teachers for development of environmental education lessons on Krishna river.

Seminars & Workshops :

22. Organised two workshops for secondary school teachers for development of environmental education lessons on Krishna river.
23.  Workshop on "Environmental Protection Strategies in Agrobased Industries" on 28th and 29th June, 1993, at Indian Institute of Engineers Pune.
24. Workshop on "The role of Environmental NGO's to develop Strategies for Pollution control and Abatement" on 15th and 16th July, 1994 at Sangli.
25. Get-together on "Sugar and Distillery waste management" on 10th Sept., 1995 at pune.
26. Participated in the seminar cum exhibition "CLEANTECH-95" organised by United Nations ESCAP & APCTT at Bangkok between 22-28th Nov. '95.
27. Participated in the "Third Asian Symposium on Academic Activities for Waste Management" (AAWM) organised jointly by Ministry of Science, technology and Environment; Govt. of Thailand, AAWM, UNEP, JICA at Bangkok; Thailand, between 22-28th August, 1996.
28. Conducted Two day workshop on "Common Effluent Treatment Plant" on 8th & 9th March, 1997 at Sangli, Sponsored by Ministry of Environment & Forests, Govt. of India. 
29. Conducted Two day seminar on "Common Effluent Treatment Plant" on 31st March & 1st April, 1997 at Lote Parshuram Industrial Estate, Chipalun.
30. Conducted a get-together for Waste minimisation Circle on 2nd Jan. 1998 at Sangli. Members from Distillery and Textile were present.

31. Participated in Two day workshop on "New methods in Environmental Impact Assessment and management" organised by CII at New Delhi on 16th & 17th Nov. 1998.
32. Workshop on "Bio-Medical wastemanagement" held at Sangli on 12th Feb 2000.

Pollution Monitoring Survey:

1. A pollution detection control camp was organised for two months during (February, March '82) where in Krishna river basin from its origin to Karnataka border was monitored and the effect of domestic and industrial.
2. waste load on Krishna water quality was assessed.
3. Characterisation studies of sugar factories, pulp & paper mill waste were carried out individually in collaboration with central water pollution control board.
4. To assess the recent pollution river in Krishna river continuous monthly water analysis is being carried out from samples at strategic points from a river stretch between Karad to Sangli.
5. Survey of water and soil quality in the area irrigated by industrial effluent.
